FOR IMMEDIATE RELEASE

JOHN LINN JOINS PROFESSIONAL STAFF AT LINCOLN ORTHOPEDIC PHYSICAL THERAPY

Lincoln Orthopedic Physical Therapy (LOPT) announced this week the addition of John Linn, MPT, ATC, to the company's team of physical therapists. Mr. Linn is a graduate of Mayo School of Health Related Science Program where he received his Masters in Physical Therapy. Mr. Linn pursued a career in physical therapy, "Because I broke my leg three times in high school and worked with a physical therapist to rehabilitation from those injuries," Linn said. "I enjoyed my time in physical therapy and look forward to helping others to get back to their normal activities," he added.

Mr. Linn joins the LOPT professional staff with 6 ½ years experience in physical therapy and 8 years experience in athletic training. Linn's professional expertise provides a full compliment of physical therapy resources with specialization in the areas of shoulder, knee, foot, ankle, and spine injuries as well as orthopedic and sports medicine. Mr. Linn is now accepting appointments at the North location, 26th and Superior Street, and can be reached at 402-434-5361.

Lincoln Orthopedic Physical Therapy is Lincoln's largest free standing, out-patient physical therapy clinic specializing in orthopedic problems. Founded in 1982, the organization has three full service clinical locations to serve the Lincoln area. LOPT offers a complete array of rehabilitation and therapy services provided by 9 licensed physical therapists, two certified in manual therapy, and one occupational therapist. LOPT is affiliated with all major medical providers and provides extended office hours from 7:00 AM to 6:00 PM, Monday through Friday.
